

Second Annual Beltway Battle Against Breast Cancer

Hosted by Northern Virginia Womens Rugby (NOVA) and DC Furies Womens Rugby

Dear Friends, Family, local DC area businesses, and residents,

Our two rugby teams are joining together to host a fundraiser for the fight against breast cancer. The proceeds from this year's event will benefit Tigerlily Foundation, a local area non-profit that works hard to educate, empower, advocate for, support and inspire young women affected by breast cancer.

We are enclosing information about the Beltway Battle Against Breast Cancer and we hope that you'll join us in this fight and help us raise as much money as possible for the Tigerlily Foundation.

We would like to ask you to help by providing a cash donation. This is a great advertising opportunity for our corporate sponsors because we'll list your business information on the thank you board at the main event. It is a great way to expose your business to hundreds of people in the DC area, while at the same time helping out a worthwhile cause. Donations will be recognized in the following categories:

Supporter	\$25.00 or more
Contributor	\$50.00 or more
Friend	\$100.00 or more
Benefactor	\$250.00 or more

Individual sponsors are also highly encouraged and can be made “in honor” or “in memory” of the person of your choice.

We hope that you will help us in the Beltway Battle Against Breast Cancer!

Sincerely,
Rachel Warden

Second Annual Beltway Battle Against Breast Cancer Donation Form

Name _____

Business Name _____

Address _____

City, State Zip _____

Company Description _____

I would like to help by donating:

- Cash or Check \$ _____
- Other (please describe) _____
